RE: IN THE MATTER OF THE APPLICATION OF LITTLE PARK WATER COMPANY, INC. FOR AUTHORITY TO REINSTATE AN ARSENIC HOOK-UP FEE TARIFF (DOCKET NO. W-02192A-10-0404)

On October 4, 2010, Little Park Water Company, Inc. ("Company") filed an application requesting authority to reinstate an Arsenic Hook-up Fee Tariff. Prior to this, on September 27, 2010, in Docket No. W-02192A-10-0395, the Company requested authority to incur \$140,000 in new long-term debt to repay a bridge loan it received from its parent to fund construction of an arsenic treatment facility. The Company states that the purpose of the requested tariff is to reduce the future impact of the new investment in plant and to generate additional funds to repay the long-term debt.

Staff has not had adequate time to review and analyze the application and to consider any interrelated implications with the financing request. Therefore, Staff recommends that the filing be suspended for a period of one hundred twenty (120) days through and including March 31, 2011.

Staff recommends that the Company notice its customers of its tariff filing and suspension.
